

FOOD SERVICE

Your enjoyment of the food served at Lake Doniphan is of prime importance to us. Our guests consistently rate our food service highly.

Special menus and dietary restrictions can be noted on the Food Service Request Form in the contract package. We prepare one entrée per mealtime as well as a vegetarian or vegan alternative, if requested in advance.

The beverage bar is available on a 24-hour basis. We can also provide refreshments for your group. Cost: \$1 per person per snack session and up.

Lake Doniphan also offers full-service banquets with upgraded menu choices, table linens, and china place settings. Additional or special meals are available for an extra fee.

All meals are served in the Main Lodge dining room. Groups may select mealtimes within these windows: Breakfasts 7:00 a.m. to 9:00 a.m., Lunches 11:30 a.m. to 1:30 p.m., Dinners 5:00 p.m. to 7:00 p.m.

Your event director or planning committee chooses the meals for your event. If another group is here at the same time, we work at cooperatively creating the menus together. When we have more than one group here, mealtimes are staggered by a half-hour and tables are assigned so that groups may eat together.

For health and liability reasons, we do not allow groups to use our kitchen to prepare food. The Lake Doniphan staff provides all meals and a major portion of the cleanup. Guest groups are asked to provide volunteers to help serve and to wipe off tables and sweep the floor. (Groups may also pay extra to have these duties done for them by prior arrangement.)

VEGETARIANS / VEGANS

Just let us know in advance how many in your group. We will prepare tasty and nutritious vegan or vegetarian alternatives for each meal.
